Of Mines and Electricity

in Bombay Province,

Bombay.

Application of :— The Sur-Panch,
Village Panchayet committee of
Rattihalli, Taluka. Hirekerur,
District, Dharwar.

No. 93
49-50

Subj :— Supply of Electric current
to Rattihalli

Respected sir,

I beg to bring the following few lines for favour of your kind consideration and necessary orders.

It is published that the Electric current supplied to Ranibennur Via Haribar, will also supply current to Tummimakatti, with the main purpose that it may be useful for irrigation work. Now, I, beg to inform your honour that the current so supplied, may kindly be allowed upto Rattihalli

which is at a distance of only eight miles.

Rattihalli, a village on the bank of the River Kumadvati is a growing village with a population of above five-thousand. The water of the river is now us for irrigation work only for a small area near its origin. If electricity is supplied t this place, irrigation work as well as trade etc will flourish to a great extent.

The present policy of the governmen to supply electricity to enhance the work o irrigation throughout the Province is muc appreciated. It is hoped that the governmen will not lack behind in supplying curren to this village, which means a great step in the progress and prosperity of this taluka

We hope that the cost of extensio of electric lines to a length of eight miles -does not matter much when considered wit its results concerning the progress and prosp -erity of a larger area and a greater populat of this taluka.

Hence we earnestly pray that our beginne congress government will

kindly do so much for the people of this Taluka for which we shall be greatly indebted

The Resolution copy of the village punchayet committe, passed in this respect is also attached herewith for kind perusal

copy of the resolution not with this file 6/12

Thanking your honour most respectfully and begging to be favoured with an early reply.

I beg to remain,
your's most faithfully
M. Naidu

ELECTRIC GRID OFFICES

Rattihalli in Hirekerur taluka of Dharwar District is about 18 miles from Ranibennur, one of the proposed substations for Power Supply from Harihar end of the Jog Scheme. The proposal to supply power to Tumminkatti for the Government lift irrigation scheme may not materialise as intimated by the Joint Director of Agriculture (Engineering) and referred to Government in this office letter No. T 8/3/23190 dated 10.1.50. It is proposed therein to utilise the 500 KW earmarked for lift irrigation pumping to meet the demands of rural areas which are within an economic reach of Renibennur, Byadgi and Haveri. If Government approves the latter scheme a proposal will be prepared considering all the applications received from the villages and this proposal will be submitted to Government for approval.

2|. The proposals refd. to in the Elect. Comm's letter No. T.8/3| 23190, dated the 10-1-50, have since been approved & that office has been requested to submit detailed plans & estimates for the Jog Power Scheme. It is therefore presumed that the Elect. Comm. will now include the requirement of the Rattihalli village in the scheme for rural distribution. The Elect. Comm. may perhaps be requested to confirm this presumption before a reply is given to the applicant.

2. The El. Commissioner with the Govt. of Bombay has submitted his report on the Jog ~~Electric~~ Karnatak Electric Grid Scheme in which the load survey of the area under question has been carried out. About 1000 KW. power is proposed to be distributed for the agriculturists requirements around Ranibennur, Byadgi and Haveri. It is, however, not mentioned in the report whether Ratihalli is also included in this area. The El. Commr may be requested ~~xx~~ to clarify the position.

These papers deal with the question of supplying electricity to Rathhalli, a village, eighteen miles from Ranibennur in Dharwar Dist, from Jog Scheme. The El. Comnr states p.17 that Rathhalli is not included in the present scheme and it will be considered later on, if Mysore Govt agrees to give more power off Haribar. The Sarpanch V.P.C. Rathhalli may be informed as per draft p.2 put up for apl.
